BELIEVE THREE BOMBS WORK OF SAME HAND.

The Police Department is said to be deeply agitated over the case, and to have made little real headway toward clearing up the mystery, although for several days now they have had a comsamps and wrapper intact, to work on. The bomb that exploded in Judge Ra aleky's apartment also came through the station at One Hundred and Second street near Amsterdam avenue.

The second Rosalsky bomb differed in some respects from the first and from

The box, of cardboard, was wrapped in white paper, and on the top had been pasted, as on the other bomb, a typewritten slip of Judge Rasalsky's address. Two five-cent and one two-cent stamps were affixed, indicating a weight of but twelve ounces, as against the forty ounces or thereabouts which the

Legislature Called in Special Session to Take Up Presidential Preference Vote Law.

SPRINGFIELD, III., March 26 -- Pro gressives won a fight in Illinois to-day special session of the General Asser

the Antreases asked for would apply to all rithroads cast of Chicago and north of the Norfolk and Western. In this territty, it is claimed, there are many roads that are now overhurdened with expense and would be forced into bankruptcy by the increases the engineers ask for.

The engineers demand a minimum of 14.40 a day for passenger service and 35.25 a day for freight service—a day to comprise each 100 miles or less covered with substantial increases in the rate for overtime. Increases are also demanded for the engineers of switch engines, belt line engines, and engines on special world, and it is also specified in the Brother bood demands that all electric transport of the General Assembly to convene to-morrow at 5 P. M. to consider the passage of Presidential primary act.

The first demand in likinols for a vote on Presidential candidates came from Presidential candidates c

AUTO FOR THE CARDINAL

Scarlet Robes Domand a Private Cardinal Parley, who as an archbishop refused to have an automobile, has now accepted one from a friend. He finds his bright scarlet robes make him so conspicuous that walking in the street or riding in a street car, on the "L" or in the subway is not as easy as it was to the black-robed Archbishop. So he changed his mind about the auto. The donor of the car has requested that the police run the band to earth. was to keep it until Schlansky secured les the services of a chauffour
